

SAVITRI SUBHAS KADDI

Belagavi | <https://www.linkedin.com/in/savitri-kaddi-a64549230> | 8123341393 | savitrikaddi@gmail.com

Motivated MCA student with a strong foundation in SQL, PostgreSQL, and database management. Hands-on experience in developing database-driven applications, writing complex queries, and performing basic query optimization. Skilled in debugging, problem-solving, and building scalable systems through academic projects. Eager to contribute to database-focused and customer-facing technical roles.

PROJECTS

Coal Mine Productivity & Safety Management System Sep 2025-Jan 2026

- Developed an application to enhance worker safety and productivity using real-time monitoring
- Designed dashboards for tracking performance, risks, and operational insights
- Implemented features for hazard detection and instant alerts
- Focused on data accuracy, usability, and faster decision-making

Web-Based Dairy Management System July 2024-July 2025

- Built a full-stack web application to automate dairy operations
- Developed CRUD functionalities for managing customers, payments, and milk records
- Integrated MySQL database for efficient data storage and retrieval
- Generated daily/monthly reports for business insights
- Implemented authentication and validation for secure data handling

Web Development (User Data Management System) Apr 2025-Aug 2025

- Designed a responsive web application for managing user data
 - Developed frontend using HTML, CSS, and JavaScript
 - Implemented backend logic for authentication and data processing
 - Optimized database queries and ensured application performance
-

EDUCATION

MASTER OF COMPUTER APPLICATIONS (MCA) Jun 2026-CGPA: 8.6

Bapuji Institute of Engineering and Technology, Davangere

BACHELOR OF COMPUTER APPLICATIONS (BCA) Aug 2024-CGPA: 7.7

KLE's PC Jabin Science College, Hubballi

SKILLS

- Databases: PostgreSQL, MySQL
 - SQL: Joins, CTEs, Window Functions, Query Optimization
 - Database Concepts: Indexing, Execution Plans, Performance Tuning (basic)
 - Programming Languages: Python, Java, C
 - Web Technologies: HTML, CSS, JavaScript, MERN Stack
 - Tools & CLI: psql (basic), Linux commands (grep, cat, top)
 - Debugging: Browser Developer Tools, API Debugging
 - Data & Analytics: MS Excel, Data Analysis
 - Cloud (Basics): AWS/Azure fundamentals.
-

CERTIFICATES & TRAINING

- Diploma in RPA
 - C Programming Certification
 - Data Analysis & Data Analytics Certifications
 - Talent Battle Workshop (3 Weeks Training – Feb 2025).
-

KEY STRENGTHS

- Strong SQL and database fundamentals.
 - Problem-solving and analytical thinking.
 - Quick learner with adaptability to new technologies.
 - Effective communication and teamwork skills.
 - Ability to explain technical concepts clearly.
-

ADDITIONAL INFORMATION

- Languages: English, Kannada, Hindi.
- Interest in database optimization, AI in data systems, and real-world debugging.
